

Little Christmas Tree

[Michael Jackson](#)

I watch the snowflakes fall
Against my window pane And wonder if you
Are watchin' snowflakes too I take a walk downtown
To where you used to meet me
There's joy everywhere
But all that waiting there is Just a little Christmas tree
Lookin' sorta sad and lonely just like me
No one seems to care
They just went away and left it standing there
All alone on Christmas Eve I hear the Christmas bells
The happy people singing
The songs of the cheer That only brings me tears I sadly close my eyes
And say a little prayer
You'll be waiting there for me
I look but all I see is Just a little Christmas tree
Lookin' sorta sad and lonely just like me
No one seems to care
They just went away and left it standing there
All alone on Christmas Eve This is the season of love
But I'm as sad as I can be
Why did you have to leave me? Oh, a little Christmas tree
Lookin' sorta sad and lonely just like me
No one seems to care
They just went away and left it standing there
All alone on Christmas Eve
