

# The Sentinel

## Heavens Gate

[from A Tribute to Judas Priest, Legends of Metal, Vol. 2] Along deserted avenues

Steam begins to rise  
The figures primed and ready  
Prepared for quick surprise  
He's watching for a sign  
His life is on the line[CHORUS:]

Sworn to avenge  
Condemned to hell  
Tempt not the blade  
All fear the sentinel Dogs whine in the alleys  
Smoke is on the wind  
From deep inside its empty shell  
A cathedral bell begins  
Ringing out its toll

A storm begins to grow[REPEAT CHORUS] Amidst the upturned burned out cars

The challengers await  
And in their fists clutch iron bars  
With which to seal his fate  
Across his chest in scabbards rest  
The rows of throwing knives  
Whose razor points in challenged tests  
Have finished many lives[SOLO][BRIDGE:]

Now facing as another  
The standoff eats at time  
Then all at once the silence falls  
As the bell ceases its chime  
Upon this sign the challengers  
With shrieks and cries rush forth  
The knives fly out like bullets  
Upon their deadly course  
Screams of pain and agony  
Rent the silent air  
Amidst the dying bodies  
Blood runs everywhere  
The figure stands expressionless  
Impassive and alone  
Unmoved by this victory

And the seeds of death he's sown[REPEAT CHORUS 4x]
