Liberation Frequency (Coachella 2012)

Refused

It's coming through the air for all of us to hear
Could it be the sounds of liberation or just the image of detention?We want the airwaves back, we want the airwaves back
We don't just want airtime we want all the time all of the time
We want the airwaves back, we want the airwaves back
We want transmission for the people by the peopleWhat frequency are you getting
Is it noise or sweet sweet music
On what frequency will liberation be
On what frequency will liberation beIt's coming through the air for all of us to hear
Could it be the sounds of liberation or just the image of detention
Control my flower, business and news all ready to devour
Who's in charge and what does he say
Is he playing the alternative or does it sound the same old way
