

Could You Love Me

Youngstown

Sometimes I don't know
Where do I go? Who do I turn to? Oh baby
When you found something new
Somebody who makes me feel so full when I'm empty Now tell me this time
Don't you know I'm losing my mind?
Is the feeling mutual, 'cuz I
Baby, I just gotta know, gotta know, now tell me Could you love? Got my heart invested
Would you love? If I give you my best
And could you love baby? Here's the question
Could you love me? Could you love me? Could you love? I leave myself wide open
Would you love? And inside I'm hopin'
Could you love? These words I've spoken
Could you love me? I can't ascertain 'cuz now it's too late
Look what you've done to me
I've fallen Now tell me this time
Don't you know I'm losing my mind?
Is the feeling mutual, 'cuz I
Baby I just gotta know, gotta know, tell me Could you love? Got my heart invested
Would you love? If I give you my best
And could you love baby? Here's the question
Could you love me? Could you love me? Could you love? I leave myself wide open
Would you love? And inside I'm hopin'
Could you love? These words I've spoken
Could you love me? Do you understand? I've given all I can
What more can I do? You gotta let me know
You gotta let your feelings show
Could you love, baby? Would you love me if, baby, I love you Could you love? Got my heart invested
Would you love? If I give my best
And could you love baby? Here's the question
Could you love me? Could you love me? Could you love? I leave myself wide open
Would you love? And inside I'm hopin'
Could you love? These words I've spoken
Could you love me? Could you love? Would you love?
Could you love? Could you love me? Could you love? Would you love?
Could you love? Could you love me? Could you love? Would you love?
Could you love? Could you love me?
