

Soap (Gladiator Remix)

Melanie Martinez

[Melanie Martinez]

Think I just remembered something

I think I left the faucet running

Now my words are filling up the tub

Darling you're just soaking in it

But I know you'll get out the minute

You notice all your fingers pruning upI'm tired of being careful, tiptoe, trying to keep the water warm

Let me under your skin

Uh-oh there goes, I said too much it overflowed

Why do I always spillI feel it coming out my throat

Guess I better wash my mouth out with soap

God I wish I never spoke

Now I gotta wash my mouth out with soapI feel it coming out my throat

Guess I better wash my mouth out with soap

God I wish I never spoke

Now I gotta wash my mouth out with soapThink I got myself in trouble

So I fill the bath with bubbles

Then I'll put the towels all away

Should've never said the word 'love'

Threw a toaster in the bathtub

I'm sick of all the games I have to playI'm tired of being careful, tiptoe , trying to keep the water warm

Let me under your skin

Uh-oh there goes, I said too much it overflowed

Why do I always spillI feel it coming out my throat

Guess I better wash my mouth out with soap

God I wish I never spoke

Now I gotta wash my mouth out with soapI feel it coming out my throat

Guess I better wash my mouth out with soap

God I wish I never spoke

Now I gotta wash my mouth out with soap
