I don't rock my ice and bounce foreign cars
And my rover ain't the hottest rover you ever seen
That ain't a TV screen It ain't sitting on eighteens dog
I ain't gaining no green and my chain don't swing, uh
I ain't doin' my thing
I ain't doin' a thing I ain't got none of that dough with none of them cars
I ain't fucked none of them hoes in none of them bars
I don't smoke weed, I ain't use to mess with this threes
I ain't from the D, no I wasn't blessed with the beats I don't be at the spot swinging my chain like this
Swinging my thing 'til these motherfuckers bang my shit
I don't sip mo', I ain't never popped Cris
This Rollie just don't look right sitting on my wrist huh? Uh uh, wasn't me
Dip the Sean John
Sip the cham don
Shit you want some I don't hold heat
Naw, I ain't never caught a case
I don't know what titles to trace
I ain't as tight as they say I don't ball out with my click at all
But I do show niggas how to spit this bar
Flow make the hoes put the dick at y'all
