Can't pass the people, can't pass the, hit meOh, get on down like  
Uh, I wanna get on the good foot  
Ho, good foot, I got to get on the good foot, ahGoing down to the crib, let all hang out  
Where soulful people knows what it's about, ah  
Going down to the crib and let it all hang out, ahWhere soulful people knows what it's about, ah  
Where people do the sign and take your hands, ah  
And dancin' to the music James Brown BandThey're dancing on the good foot  
I got to get on the good foot  
Got to do it on the good foot  
Do it with the good footSaid the long hair hippies and the Afro blacks  
They all get together across the tracks  
And they partyHo, on the good foot  
You know they dance on the good foot  
Dance on the good footAin't nothing goin' on now but the rent, ah  
A whole lotta bills and my money's spent  
And that's on my bad foot, whoa, uhYou know my face gettin' short and I got the blues  
I got a funky job and I paid my dues on the good footHo, on the good foot  
I got to get on the good foot  
Hey, on the good foot  
Get on the good foot; come overHit it there; you got to get it, get it  
Sharper now, uh  
Come on, get it, ah, huhOn the good foot  
On the good foot  
Ho, on the good foot  
Get on the good footOn the good foot  
On the good foot  
Ho, get on the good foot  
On the good footGet it there, get it there  
Ho, now bass, play on it nowCome on, get it, ah, get it
