## The Collective

If you never had it then  
You don't know how bad it is  
There is nothing like it, well  
Needless talk then, I can tell  
But, here comes the day, I sit and wait  
Always, always something  
The bills keep coming, the car ain't running  
Now I'm coming home again, another day  
Oh, the mailman's on his way  
Just sit and wait  
Always pondering my fate too late  
Another day goes  
I borrowed from you yesterday  
Lent a bunch to you last May  
No one minds I can tell  
Seems I've picked the wrong seashells, but  
But, here comes the day, I sit and wait  
Always, always something  
The bills keep coming, the car ain't running  
Now I'm coming home again, another day  
Oh, the mailman's on his way  
Just sit and wait  
Always pondering my fate too late  
Another day goes  
Dominoes are falling still  
As I know they always will  
Dominoes a test of will  
Dominoes
