

Didn't He Shine

The Primitive Quartet

didn't he shine

when he came to a lowly manger

didn't he shine

when he came to a lowly manger didn't he shine

there was just one reason why

he came to earth to die

oh this precious Rose of Sharon

didn't he shine

Chorus

didn't he shine? Didn't he shine

when my soul was out in darkness didn't he shine

oh but when i cried for mercy

i felt his arms around me

when he saved me hallelujah

didn't he shine

when jesus said father forgive them

didn't he shine didn't he shine

when he said father forgive them

didn't he shine

early on that sunday morning

a new world was dawning

when he rose up from the grave

didn't he shine didn't he shine

on that resurrection morning

he's gonna shine

on that resurrection morning

he's gonna shine

when he comes in clouds of glory

we'll be glad we heard the story

on that resurrection morning

he's gonna shine

now when they crown him king of kings

he's gonna shine

when they crown him lord of lords
he's gonna shine
won't that be a happy day
when at last we're home to stay
when they crown him lord and king
he's gonna shine
