

# Dance, Dance (Live From Hammersmith Palais)

## Fall Out Boy

She says she's no good with words but I'm worse  
Barely stuttered out a joke of a romantic stuck to my tongue  
And weighed down with words too overdramatic  
Tonight it's it can't get much worse  
Versus no one should ever feel like I'm two quarters and a heart down  
And I don't want to forget how your voice sounds  
These words are all I have so I write them  
I need them just to get by Dance, dance  
We're falling apart to half time  
Dance, dance  
And these are the lives you love to lead  
Dance, this is the way they'd love  
If they knew how misery loved me You always fold just before you're found out  
Drink up it's last call last resort  
But only the first mistake and I'm two quarters and a heart down  
And I don't want to forget how your voice sounds  
These words are all I have so I write them I need them just to get by Why don't you show me a little bit of spine  
You've been saving for his mattress, love Dance, dance  
We're falling apart to half time  
Dance, dance  
And these are the lives you love to lead  
Dance, this is the way they'd love if they knew how misery loved me Why don't you show me a little bit of spine  
You've been saving for his mattress (mattress, mattress)  
I only want sympathy in the form of you crawling into bed with me Dance, dance  
We're falling apart to half time  
Dance, dance  
And these are the lives you love to lead Dance this is the way they'd love (way they'd love)  
Dance this is the way they'd love (way they'd love)  
Dance this is the way they'd love if they knew how misery loved me  
Dance, dance  
Dance, dance  
Dance, dance  
Dance, dance
