

Do It Again

Wetton / Manzanera

Get into my life, it's not too late
(You look great)

Let's get it right, let's get it straight
You are the one, don't hesitate
The feeling is now and I can't wait

That's all right, that's okay
Let's do it again

You hit that spot, I like your style
One more time, come on, make me smile

You got that look I can't refuse
The night is ours, how can we lose?
That's all right, that's okay

I knew I was tough enough
(Do it again)
I was made of stronger stuff
(Do it again)
You always wanna play it rough
But this is love
So, let's do it again

(Do it again)
I knew I was tough enough
(Do it again)
I was made of stronger stuff
You played it rough
But this is love
So, let's do it again

It's in your eyes. it's in your voice
You realize that we have no choice

You know that you care, your fate is sealed
The fire that you feel, it burns you up
You realize that's alright, that's okay

I knew I was tough enough

(Do it again)
I was made of stronger stuff
(Do it again)
You always wanna play it rough
But this is love
So, let's do it again

Do it again (do it again) x12

(Do it again) x9
