# Harlem Swing

## Tampa Red

Yeah man, make a plan
Everybody, let's get started
Get that Harlem swingEvery man, in the band
Let's get busy, the gang's all dizzy
With that Harlem swingEverybody, from miles around
Are here in town, to break 'em down
They all wild about the mellow sounds
So let's get pumpin' loudYeah man, you understand
Everybody, grab somebody
And do that Harlem swingYas, yas, yas, yea, yeah at is it
Ah, run and come and bump it
I hear you, Mr. Piano Man
Yas, yasYes man, here's the plan
Everybody, let's get started
Get that Harlem SwingEvery man, in the band
Let's get busy, the gang's all dizzy
With that Harlem swingEverybody, from miles around
Are here in town, to break 'em down
They all wild about the mellow sound
So let's get pumpin' loudYeah man, you understand
Everybody, grab somebody
And do that Harlem swingYeah, yeah, I hear ya
Come on do it again, take there
Hey, yas, yasYeah man, you understand
Everybody, grab somebody
And do that Harlem Swing
