

Like a Prayer

Susan Boyle

Life is a mystery
Everyone must stand alone
I hear you call my name
And it feels like home I hear your voice, it's like an angel sighing
I have no choice, I hear your voice
Feels like flying
I close my eyes, oh God I think I'm falling
Out of the sky, I close my eyes
Heaven help me When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel your power
Just like a prayer you know I'll take you there Like a child
You whisper softly to me
You're in control just like a child
Now I'm dancing It's like a dream
No end and no beginning
You're here with me it's like a dream
Let the choir sing When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel your power
Just like a prayer you know I'll take you there Life is a mystery, everyone must stand alone
I hear you call my name
And it feels like home
