All Blue Baby

The Muffs

Yeah, it's a lovely sunny day
And I wish it'd go away
'Cause I'm mean
And I've seen it foreverNow, did you notice me today?
Well, I hope not anyway
'Cause I hear that you're thinking
I'm so far downI didn't know what to say
I didn't know what to do
I didn't know anything anymore
And ooh, I'm all blue baby
Ooh, I'm all blue so longAnd you're ugly, through and through
And you think you're ugly too
And I see what you see
And it's so right onIt's a crummy, crummy day
To wake up and anyway
'Cause I feel what I feel
And I'm so far outI didn't know what to say
I didn't know what to do
I didn't know anything anymore
And ooh, I'm all blue baby
Ooh, I'm all blue so longAnd I know what I feel
And I do do believe
I could never be you
So longAnd I know what I feel
And I do do believe
Please don't lean on me
Ever too long
(Ever)Please don't lean on me
Ever too long
(Ever)Please don't lean on me
Ever too long
Ever tooEvery time long
Ever, no
