

# You've Got Your Troubles (I've Got Mine)

Jack Blanchard & Misty Morgan

I see that worried look upon your face you've got your troubles I've got mine  
You've found somebody else to take my place  
You've got your troubles and I've got mine  
I too have lost my love today all of my dreams have blown away  
Now just like you I sit and wonder why you've got your troubles and I've got mine  
[ guitar ]  
You need some sympathy well so do I you've got your troubles and I've got mine  
You used to love me that I know not so very long ago  
We were walking we were talking the way that lovers do  
I'd have another place another time  
I know you've got your troubles honey I've got mine  
You've got your troubles I've got mine you've got your troubles I've got mine
