Invisible

Paul Weller

I'm invisible
Float across the floor
You can't even see meDrift through walls and tables
And you still don't believe me
I'm not one to give up
But I feel I'm at a lossTo you I'm invisible
Pass through doors and windows
You won't even know itThere was a time
I thought every hair on my body was alive
And so it wasNow you can't even see the granted time
I'm not one to give up but I feel I'm at a lossThe world doesn't roll in a dark hall
I just feel the color drain from me
Hey, I'm tellin you Im become invisibleInvisible
I skim across the floor
You can't even see meI make a joke and toss a line
Till no one there can see me alive
I don't want to give up
But I feel I'm at a loss
I'm invisiblePacking up, baby
Packing up, baby
Packing up, baby
Packing up, babyPacking up, baby
Packing up, baby
Shaking up, baby
Packing up, baby
