

Invisible

Paul Weller

I'm invisible
Float across the floor
You can't even see me Drift through walls and tables
And you still don't believe me
I'm not one to give up
But I feel I'm at a loss To you I'm invisible
Pass through doors and windows
You won't even know it There was a time
I thought every hair on my body was alive
And so it was Now you can't even see the granted time
I'm not one to give up but I feel I'm at a loss The world doesn't roll in a dark hall
I just feel the color drain from me
Hey, I'm tellin you Im become invisible Invisible
I skim across the floor
You can't even see me I make a joke and toss a line
Till no one there can see me alive
I don't want to give up
But I feel I'm at a loss
I'm invisible Packing up, baby
Packing up, baby
Packing up, baby
Packing up, baby Packing up, baby
Packing up, baby
Shaking up, baby
Packing up, baby
