# Violins

## Lagwagon

I am just another fool and I have to keep telling myself
That I am just an hypocrite and I have to keep calling you one
'Cause I forgot to bite my tongue
And my assumption is the mother of all mistakes
As I assume the role
Open my mouth
And clumsy words escape
Chorus:
So why you want to be there
When you could be here
You are slipping away
I awake with your replacement
A bottle in my grasp
In a unfamiliar place
Because you put me out
The butt of a sick joke
Into this ashtray life
As you come and go
'Cause I forgot to service you
And we broke down
And you can't live with my mistakes
So I assume false grace
Open my arms
And grasp at something true
Chorus
How are you
How have you been
Girl I miss you
Wanna see you again
Repeat chorus
I bring out the worst in you
And you try to let me know
You bring out the worst in me
Anxiety I'm trying to let you go
You say I'm giving you the creeps
So I assume the role
Open my claws
And grasp for your heart
Repeat chorus

Into you
Like a mortal stake
So vindictive
Your love's slipping away
Violins Violence
The butt of your sick joke
Into this ashtray life
I'm trying hard to let you go
