

Dingdong Thing

Gluecifer

No plan behind it
Just a man behind it
No meaning to it
Don't do no kneeling to it Ain't no real snag
Ain't nothing but the good old gag
Ain't no song to sing
Ain't nothing but a ding dong thing And it got me
Right out of the cage, yeah
Yeah, it got me Everybody ding, everybody dong
Everybody singing the monkey song
Like I do, I do, I do Everybody dong, everybody ding
Monkey boy doing the monkey thing
Like I do, I do, I do Ain't no thrilling flutes
No retro boots
No jangling lutes
My real roots Monkey see what the monkey see
And then you know what the monkey do
Monkey, monkey, monkey me
And then a monkey, monkey you 'Coz it got me
And it got me Everybody ding, everybody dong
Everybody singing the monkey song
Like I do, I do, I do Everybody dong, everybody ding
Monkey boy doing the monkey thing
Like I do, I do, I do, hey Everybody ding, everybody dong
Everybody wanna sing
The same old monkey song Everybody dong, everybody ding
Monkey boy doing the monkey thing
Like I do, I do, yeah
