## Sizzla

Hear Mi Now

Hear Mi Now...

Mama say, a clean woman always,  
Keep it a clean house  
Need no service from Mickey nor mouse  
Listen Up ey...

Ah never put you in the fortune or fame  
Yes ah surely need you even when the weather change  
It doesn't matter your area, nor lane  
Benghi man will never stop calling your name

I know you when I see you anywhere  
Character and you dressings always gone clear  
Ah good thing say mama also taught me how to care  
As long as she clean conscious and fair

[Chorus]

Pretty without the lipstick on your mouth
