Shelter Me

Randy Smith

Hey, na na na, hey, hey, thought about you
Hey, na na na, I'll make it with or without you
I went walkin' in your shoes today
It took me back to that familiar way that I
Felt when our team was on the winnin' side, so I
Paged through some pictures that you left behind
Hey, na na na, hey, hey, thought about you
Hey, na na na, I'll make it with or without you
I guess I would have known love if it whispered in my ear
All I know right now, is that it's been almost a year
That I traded in forever for a kiss that day
But how about some shelter if I promise not to stay
Hey, na na na, hey, hey, thought about you
Hey, na na na, I'll make it with or without you
Shelter me, come on baby, please
I don't need for you to feel the same
Cover me, come on, can't you see?
I just need to come in from the rain, shelter me

I know that you need to find someone
Who will get you, thought I was the one
I know that I need to find someone
Who will let me, thought you were the one
Hey, na na na, hey, hey, thought about you
Hey, na na na, I'll make it with or without you, yeah, yeah
Shelter me, come on baby, please
(Hey, na na na)
I don't need for you to feel the same
(Hey, hey, thought about you)
Cover me, come on, can't you see?
(Hey, na na na)
I just need to come in from the rain
(I'll make it with or without you)
Hey, na na na, hey, hey, thought about you
Hey, na na na, I'll make it with or without you
