

# Good Old Boy, Bad Old Boyfriend

Blake Shelton

Baby, baby, baby  
He's got you cryin' again  
Baby, baby, baby  
He's got you cryin' again  
He's a good old boy but he's a bad old boyfriend  
I know that he loves you  
Looks like he'd show it now and then  
I know that he loves you  
Looks like he'd show it now and then  
He's a good old boy but he's a bad old boyfriend  
He kicks off his shoes, throws down this coat  
Opens a beer, grabs the remote  
You're never heard, you're seldom seen  
A joker don't deserve a queen  
Baby, baby, baby  
Why don't you just get rid of him?  
Tell him to go  
He's a good old boy but he's a bad old boyfriend  
That's right  
He makes you cry, I'll make you laugh  
He rubs you wrong, I'll rub your back  
You're never heard, you're seldom seen  
A joker don't deserve a queen  
Baby, baby, baby  
Why don't you just get rid of him?  
Bye Bubba  
He's a good old boy but he's a bad old boyfriend  
He's a good old boy but he's a bad old boyfriend  
Good old boy, bad old boyfriend
