Monster Hospital

Grey`s Anatomy 2

Bam shika bam shika boom boom bom
Sha wang sha wang boom, sha wang sha wang boom
Bam shika bam shika boom boom boom
Sha wang sha wang boom
Monster Hospital, can you please release me?
You hold my hands down, I've been bad
You hold my arms down, I've been bad
I've been bad, I've been bad
I fought the war, I fought the war
I fought the war but the war won
I fought the war, I fought the war
I fought the war but the war won
Monster movie
Daddy war bucks up against Bobby Fuller
And he beat him hands down, lead in his head
They put a little lead in, in his head
I fought the war, I fought the war
I fought the war but the war won
I fought the war, I fought the war
I fought the war but the war won't stop for the love of God
I fought the war, I fought the war but the war won
I fought the war, I fought the war
I fought the war but the war won't stop for the love of God
I fought the war, I fought the war
But the war won't stop for the love of God
I fought the war, I fought the war
But the war won't stop for the love of God
I fought the war, I fought the war
But the war won
I fought the war, I fought the war
I fought the war but the war won't stop for the love of God
I fought the war, I fought the war
But the war won't stop for the love of God
I fought the war, I fought the war
But the war won
