

Little Jack Frost

The Brian Setzer Orchestra

Little Jack Frost get lost, get lost
Little Jack Frost get lost
You don't do a thing but put a bite on my toes
Freeze up the ground and take the bloom from the rose
Oh, little Jack Frost go 'way, go 'way
And don't you come back another day
There's lots of cold feet, all the lovers complain
You turned off the heat down on lover's lane
The bench in the park is all alone in the dark
So, little Jack Frost get lost, get lost
Little Jack Frost get lost
So, little Jack Frost go 'way, go 'way
And don't you come back another day
There's lots of cold feet, all the lovers complain
You turned off the heat down in lover's lane
The bench in the park is all alone in the dark
So, little Jack Frost get lost, get lost
Little Jack Frost get lost
