

Too Late

Dead By Sunrise

It's cold and dark, I think I'm going insane
The end is coming, it's true
I'm all alone and I am screaming your name
It seems that's all I can do But it's too late to turn back now
It's too loud to hear the sound
I'm so lost, I can't be found
It's too late to turn back now It's hard to focus when your life is a blur
It's hard to see the truth
How can I move on when there's so much to learn?
And every road comes back to you But it's too late to turn back now
It's too loud to hear the sound
I'm so lost, I can't be found
It's too late to turn back now But it's too late to turn back now
It's too loud to hear the sound
I'm so lost, I can't be found
It's too late to turn back now, now I'm so lost, I can't be found
It's too late to turn back now
