

Better Side of Me

Thornley

Just fire away, just fire away
Let's begin
In spite of me, in spite of me
I'll let you in Don't you think you would have seen
Some signs of this inside of me by now It's hard to see the better side of me
(Hard to see, it's hard to see)
It's hard find a better way to be
(Hard to see, it's hard to see)
I can't figure it out, yeah
It's hard to see the better side of me So close the door, so close the door
Lock me in, yeah, and then sign me up
Then sign me up for counseling Don't you think you should have seen
Some signs of this inside of me by now It's hard to see the better side of me
(Hard to see, it's hard to see)
It's hard find a better way to be
(Hard to see, it's hard to see)
I can't figure it out, yeah
It's hard to see the better side of me Ooh, each time, I stop and I turn around
My foot gets stuck in the door
Each time, I stop and I turn around
I always get stuck It's hard to see the better side of me
(Hard to see, it's hard to see)
It's hard to find a better way to be
(Hard to see, it's hard to see)
I can't figure it out, yeah It's hard to see the better side of me
(Hard to see, it's hard to see)
It's hard to find a better way to be
(Hard to see, it's hard to see)
I can't figure it out, yeah
It's hard to see the better side of me
