

On eBay

Chumbawamba

Mr. Kakoshka, it just happened again

(Sad, so sad)

They struck the museum like a hurricane

(Sad, so sad)

Haul 'em on a coach and its dead and its gone

(Sad, so sad)

From Babylon baby, back to Babylon

(Sad, so sad) There's stuff you find along the way

And stuff you leave behind

And it all ends up as stuff that you can buy On eBay

From Babylon, back to Babylon

On eBay

From Babylon, back to Babylon In all Baghdad, they're dusting off the antiques

(Sad, so sad)

Its the 14th Gurnika, weve had this week

(Sad, so sad)

I got 25 dollars for a Persian vase

(Sad, so sad)

Hold the critique, I think Im going large

(Sad, so sad) That stuff inside your houses

And that stuff behind your eyes

Well, it all ends up as stuff that you can buy On eBay

From Babylon, back to Babylon

On eBay

From Babylon, back to Babylon They're building a tower out of wrappers and cans

(Sad, so sad)

Now we're speaking a language that we all understand

(Sad, so sad)

T-T-Tongue tied and starry eyed

(Sad, so sad)

Its the ancient history of old school times

(Sad, so sad) Theres stuff, dressed up as truth

And then theres stuff dressed up as lies

And it all ends up as stuff that you can buy On eBay

From Babylon, back to Babylon

On eBay

From Babylon, back to Babylon On eBay

From Babylon, back to Babylon

On eBay

From Babylon, back to BabylonOn eBay
From Babylon, back to Babylon
On eBay
From Babylon, back to Babylon
