

Nightmoves

Playmaker

The music begins and the titles fade in, starrin' you and me

The hero is struggling to say that his lady is far away

In her prison of wishesWe love and we fight but it's all day for night just a masquerade

We'll read till the red light is off then we go take our faces off

Like two clowns in a side showLove is like two dreamers dreamin' the exact same dream

Just another Technicolor romance on the screenLove is like two dreamers dreamin' the exact same dream

Just another Technicolor romance on the screenI keep you in frame and I whisper your name till the picture
fades

The feeling is already gone, I don't know why I'm going on

Can't remember the ending
