

# Hell Don't Need Me

## Demon Hunter

I don't wanna close my eyes  
I can't tell if I'm asleep or if I'm blind[Bridge]  
We're going nowhere  
No one seems to careI could sell a peace of mind  
I could tell you every time that I divide[Hook]  
The water will decide  
Where to feed me  
Mother don't you cry  
Hell don't need meI will see it all in time  
I can't be the only one across that line[Bridge][Hook]Don't need me [x4][Hook x2]
