Love Wars

Mark King

Gimme a reason to believe in this dream
I don't want anything to come between us
The feelings and the faith and the love
The hope that it's gonna be foreverBut how can I forgive the mistakes 'cause once they're made
Then I find all of the fears they rise and I worry
I watch you leave in such a hurry
Am I as big a fool as I can be?When love becomes a novel to a war
And your words are a sword
It's too late they've been saidAnd I can't find the peace anymore
So it goes on and on and on and on
Till the tears are fallingGimme a moment to express how I feel
I know, you got a lot of ways to hate me
I know, I need to see to believe
And it can drive you to distractionAnd I can't stop making mistakes, I forget to forgive
Until I find all of the tears, they rise and I am sorry
Please don't leave in such a hurry
I am as big a fool as I can beWhen love becomes a novel to a war
And your words are a sword
It's too late they've been saidAnd I can't find the peace anymore
So it goes on and on and on and on
Till the tears are fallingAm I as big a fool as I can be?When love becomes a novel to a war
And your words are a sword
It's too late they've been saidAnd I can't find the peace anymore
So it goes on and on and on and on
Till the tears are fallingWhen love becomes a novel to a war
And your words are a sword
It's too late they've been saidAnd I can't find the peace anymore
So it goes on and on and on and on
Till the tears are fallingWhen love
