

# Rightstarter Message To a Black Man

## Public Enemy

You spend a buck in the 80's, what you get is a preacher  
Forgivin' this torture of the system that brought 'cha  
I'm on a mission and you got that right  
Addin' fuel to the fire, punch to the fight  
Many have forgotten what we came here for  
Never knew or had a clue, so you're on the floor  
Just growin not knowin about your past  
now you're lookin' pretty stupid while you're shakin' your ass

Mind over matter, mouth in motion  
Can't deny cause I'll never be quiet  
Let's start this right

Some people fear me when I walk this way  
Some come near me, some run away  
Some people take heed to every word I say  
Some want to build a posse, some stay away  
Some people think that we plan to fail  
Wonder why we go under or go to yail  
Some ask us why we act the way we act  
Without lookin' how long they kept us back

Mind over matter, mouth in motion  
Can't deny it cause I'll never be quiet

Yes you if I bore you, I won't ignore you  
I'm sayin things that they say I'm not supposed to  
Give you pride that you may not find  
If you're blind about your past then ill point behind  
Kings, Queens, warriors, lovers  
People proud, sisters and brothers  
It's the biggest fear, suckers get tears  
When we can top their best idea

Mind over matter, mouth in motion  
Can't deny it cause I'll never be quiet  
Let's start this right

Our solution, mind revolution  
Mind over matter, mouth in motion

Corners don't sell it, no you can't buy it  
Can't defy it cause I'll never be quiet  
Let's start this right

Our solution, mind revolution  
Can't sell it, no you can't buy it in a potion  
You lie about the life that you wanted to try  
Tellin' me about a head, you decided to fly  
Another brother with the same woes that you face  
But you shot with the same hands, you fall from grace  
Every brother should be every brother's keeper  
But you shot with your left while your right was on your beeper

Mind over matter, mouth in motion  
Can't deny it cause I'll never be quiet  
Let's start this right

As the world turns, it's a terrible waste  
To see the stupid look sluck on your face  
Timebomb alarm for the world, just try it  
Known to all zones as the one man riot  
I'm on a mission to set you straight  
Children, it's not too late  
Explain to the world when it's plain to see  
To be what the world doesn't want us to be

Mind over matter, mouth in motion  
Can't deny it cause I'll never be quiet  
Let's start this right
