

# Made Of Steel

## Our Lady Peace

I can be anything that you want me to be  
A punching bag, a piece of string, oh  
That reminds you not to think  
I found the note down in your car  
And it's not your fault, it gets this hard  
Gets this hard  
Hold your head high, don't look down  
I'm by your side, won't back down  
You wanted a hero tonight  
Well, I'm not made of steel  
I'm not made of steel  
But your secret's safe with me  
I can be anything that you want me to be  
A holy cross, some sympathy, oh  
That reminds you not to bleed  
I found the note down in your car  
And you climbed up here to fall apart  
Fall apart  
Hold your head high, don't look down  
I'm by your side, won't back down  
You wanted a hero tonight  
Well, I'm not made of steel  
I'm not made of steel  
But your secret's safe with me  
No, your secret's safe with me  
They knock you down, I'll pick you up  
They laugh at you, I'll shut them up  
But I'm not made of steel  
But I'm not made of steel  
But I'm not made of steel  
But your secret's safe with me, yeah  
Your secret's safe with me, yeah  
Hold your head high, don't look down  
I'm by your side, won't back down  
You wanted a hero tonight
