

One Night Stand (Feat Young Sly & Ed Bone & Mil)

2Pac

Every night - a different town - I sing my song
I play and sing - pack my things and move along
A pretty face, another place I never get to know
A one night stand, another show
My guitar - a railroad car - a bus or plane
Chocolate bar - and there you are - the price of fame
If I could do what I want to, I'd stay and never go
A one night stand is all I know
I wish that I could be two people
Instead of bein' on my own
I wish that I could be two people
And then I'd never be alone
Photographs of where I've been and all I've done
In this whole world - is there a girl - no, not one
Goodbye, hello - I've got to go - I hope you understand
A one night man is all I am
A one night stand, a one night man.
Doo doo doo...
Goodbye, hello - I've got to go - I hope you understand
A one night man is all I am
A one night stand, a one night man.
Doo doo doo...
