

Raised by Wolves

Springtime Carnivore

You want to know my true name
To whisper it into my ear
You're taking me to the dark side
When you tell me, tell me, tell me
What I want to hear
You were raised by wovles
You were raised by wovles
Can I ever, ever, ever let you in?
Can I ever, ever, ever let you close to me?
You make me bleed, I forgive you
You stop me cold in my tracks
I want to go, I want to go with you
Because you can be so tender
I almost forget
You were raised by wolves
You were raised by wovles
Can I ever, ever, ever let you in?
Can I ever, ever, ever let you close to me?
Can I ever let you in?
Can I ever let you in?
Can I ever let you in?
Can I ever let you close to me?
To me?
