

# Reasons I Cheat

[Randy Travis](#)

A working day to long when everything goes wrong  
And a boss who don't know I'm alive I once had a notion I'd get that promotion, but now I barley survive  
A wife to demanding with no understanding  
Of why I stay dead on my feet A dimly lit tavern a willing young woman  
Are some of the reasons I cheat  
The hair that I'm losing and a women who's choosing  
To lay sound asleep by my side  
The bills they are mounting that's when I start counting  
On someone to help sooth my pride A lady that knows me affection she shows me and a smile so easy and sweet  
The dreams that I've buried the load that I've carried  
Are some of the reasons I cheat
