**Jack Slater**

Bring me meat bring me sausage bring me God bring me God sausage go nevertheless into the butcher's shop  
and procure to me there ne sausage I procure it to you then also and delete with it mine thirst bring me meat  
bring me God bring me the one, which goettliche sausage I fress it then and delete mean thirst this sausage  
which I saw there, become I love always be it me into the neck deeply inside I choke so gladly meat into me  
bring purely me meat bring me God I choke so gladly sausage into me purely...
