Every Minute, Every Hour

2Gether

Baby, I know you were wrong
But I forgive you, yeahAnother day has gone by
Still have your picture by my side
I can't forget when you left
When we said, "Goodbye"
I know it's hard to carry on
Can I survive?Every minute, every hour
I just can't get you out of my mind
No matter how hard I try
Every day, every night
I wish you were back in my life
Can we give it just one more chance this time?Lookin' back on it now
Where we went wrong
I can't figure out
Wish I could turn back the time
And make you mine
Is it too late for us to try a second time?Every minute, every hour
I just can't get you out of my mind
No matter how hard I try
Every day, every night
I wish you were back in my life
Can we give it just one more chance this time?I just don't see things the same
I can't get out of the way
It's clouding my mind
It's clouding my mind
I'll make it all up to you
Just tell me what I should do?
I want you back in my lifeGimme one more chanceEvery minute, every hour
I just can't get you out of my mind
No matter how hard I try
Every day, every night
I wish you were back in my life
Can we give it just one more chance?Every minute, every hour
I just can't get you out of my mind
No matter how hard I try
Every day, every night
I wish you were back in my life
Can we give it one more chance this time? YeahCan we give it just one more chance?
Yeah, yeah, yeah
