# Dance Until Tomorrow

## Jonas Brothers

Calling you out,
calling you out,
so you can see whats going on.
Breaking me down,
Breaking me down,
cause I can see that something's wrong.
Your body's moving but your mind is somewhere else
and I don't know how to get there.
It's like you're losing yourself.
CHORUS
Oh, no one ever thought we would come this far.
oh, got enough for me to break my heart.
oh, when the music starts and it's me that you want.
Let it go, keep dancing till tomorrow.
Calling you out,
calling you out,
cause I can see were near the end
Letting me down,
Letting me down,
It's like we're back to one again.
Your body's moving but your mind is somewhere else
and I don't know how to get there.
It's like you're losing yourself.
CHORUS
Oh, no one ever thought we would come this far.
oh, got enough for me to break my heart.

oh, when the music starts and it's me that you want.
Let it go, keep dancing till tomorrow.
Oh, no we're not gonna stop,
when they hit the lights.
oh, when the rest is wrong
you're the one thing right.
oh, when the music starts and it's me that you want.
Let it go, keep dancing till tomorrow
Hey oh
CHORUS
Oh, no one ever thought we would come this far.
oh, got enough for me to break my heart.

oh, when the music starts and it's me that you want.
Let it go, keep dancing till tomorrow.
Oh, no we're not gonna stop,
when hit the lights.
oh, when the rest is wrong
you're the one thing right.
oh, when the music starts and it's me that you want.
Let it go, keep dancing till tomorrow
Keep dancing till tomorrow
No we're not gonna stop.
Gonna hit the lights.
When the rest is wrong
There's one thing right.
when the music starts and it's me that you want.
Let it go, Keep dancing till tomorrow.
