

# Malaguena

Brian Setzer

Malaga where our lips first met,  
To the beat of the castanet,  
Now I pray to the skies above,  
Bring him back, please bring back my love. Ah!Malaga blue seas still echo his last words to me.  
Malguena, Tho' you are every-thing to me,  
Malaguena, my true love is the sea.Love like ours must learn to play,play a waiting game,  
And live just for the flame;  
Malaguena, there's a fire deep inside of me,  
That must burn, die out, so I can be free.If no spark lingers within when the storm is past,  
I'll be yours, I'll be yours, yours at last.
