

# Don't Wanna Be the One

Grinspoon

I'm an innocent victim, I'm just like you  
We end up in home units with a brick wall view  
I can't believe the perfect families on my colour TV  
If I don't make it to the top it'll never bother me And I don't wanna be the one  
And I don't wanna be the one  
And I don't wanna be the one  
And I don't wanna be the one I'm an innocent bystander caught in the path  
Waiting out the back while the corporate attack  
Assaults the senses with relentless scenes of passion and delight  
I cut up all the options and went running for my life And I don't wanna be the one  
And I don't wanna be the one  
And I don't wanna be the one  
And I don't wanna be the one And I don't wanna be the one  
And I don't wanna be the one  
And I don't wanna be the one  
And I don't wanna be the one
