

Takin' Retards to the Zoo

The Dead Milkmen

it's a boring day i've got nothing to do-except get a load of retard and drive 'em to the zoo

[2x] oh oh oh takin' retard to the zoo

load 'em on a bus just for laughs
down a winding road stepping on the gas
down a winding road just daydreaming
down a winding road with the retard screaming

[2x] oh oh oh takin' retard to the zoo

one of 'ems blowing a big spit bubble
slam on the breaks at the first shinn of trouble
head on colision bodies everywhere
head on colision retard bewhere

[2x] oh oh oh takin' retard to the zoo
