

# Lost Boys

## Driver F

Nothing's gonna make you stop  
You wanna rock  
Everybody knows you're lost  
Morning light hurts your eyes but that's another thing  
Nothing really matters behind the shades of blue  
Blind boys never lie but that's another thing  
Nothing really matters behind the shades of blue  
'Cause in the end you're just reborn again  
You wanna rock and nothing's gonna make you stop  
And nothing's gonna break you up  
Everybody knows you're lost in the nighttime honey  
Lost boys  
We are dead until dark but that's another thing, yeah  
Nothing really matters behind the shades of blue  
You say, you wanna live like I do but that's another thing  
Nothing really matters behind the shades of blue  
'Cause in the end we're just reborn again  
You wanna rock, nothing's gonna make you stop  
Nothing's gonna break you up  
Everybody knows you're lost in the nighttime honey  
Lost boys  
Nothing's gonna make you stop  
And nothing's gonna break you up  
Everybody knows you're lost in the nighttime, honey  
Lost boys  
You wanna rock, love is gonna make you stop  
Love is gonna break you up  
Everybody knows you're lost in the nighttime honey  
Lost boys  
Love is gonna make you stop  
And love is gonna break you up  
Everybody knows you're lost in the nighttime honey  
Lost boys  
Love is gonna make you stop  
And love is gonna break you up  
Everybody knows you're lost in the nighttime honey  
Lost boys  
Nothing's gonna make you stop  
Lost boys

Everybody knows you're lost  
Lost boys
