Dominion

Bullerbyne

If the heart is cold
If there is no light
I can be the one
If the heart is coldIf the blood runs hot
Let there be an end
Let there be no one
Who can be the lightWhere you go, I won't lead
Where you go, I won't lead'Cause if the heart is dead
I can take your soul
If you give it free
And the bondage end'Cause if your heart is cold
Then you belong with me
Let me be the one
Oh, that will set you freeWhere you run, I won't lead
Where you run, I won't leadSee how love Unholy
Cuts into your mind
See how love Unholy
LiesSee how love Unholy
Cuts into your mind
See how love Unholy
LiesWhere you go, I won't lead
Where you go, I won't leadSee how love Unholy
Cuts into your mind
See how love Unholy
LiesSee how love Unholy
Cuts into your mind
See how love Unholy
Lies
