Tropicoller Lease

Sun Club

Where we all are with it, uh huh!
It's the way it comes.
It's the way it comes.
But living like this is so much fun.
Lets go have fun. lets go have fun.And sometimes,
when I sit alone,
I think of you
If I get too stoned
and sometimes
and I don't know why,
I feel like I just can't get high anymore.Patient people
waiting to go
Breakin' pavement
crackin' the way in oh!I can't decode this shit
AH AH!!
But when it comes it really comes
And I can only feel this way with some
and it might sound dumb,
but it's kinda fun.and sometimes, and i don't know why! and sometimes!
sometimes!
I don't know why.Don't lie in and out of time.
And don't cry.
Don't cry!
When that feeling gets too tight.Patient people
waiting to go!
Breakin' pavement
cracking the way in ohPatient people waiting to go oh! (2x)
