## Sun Club

Where we all are with it, uh huh!  
It's the way it comes.  
It's the way it comes.  
But living like this is so much fun.  
Lets go have fun. lets go have fun. And sometimes,  
when I sit alone,  
I think of you  
If I get too stoned  
and sometimes  
and I don't know why,  
I feel like I just can't get high anymore. Patient people  
waiting to go  
Breakin' pavement  
crackin' the way in oh! I can't decode this shit  
AH AH!!  
But when it comes it really comes  
And I can only feel this way with some  
and it might sound dumb,  
but it's kinda fun. and sometimes, and i don't know why! and sometimes!  
sometimes!  
I don't know why. Don't lie in and out of time.  
And don't cry.  
Don't cry!  
When that feeling gets too tight. Patient people  
waiting to go!  
Breakin' pavement  
cracking the way in oh Patient people waiting to go oh! (2x)
