

Faint Mystery

[Trixie Whitley](#)

Never was clear
Sweet and heavy with stars
Faint release
upon mysterious grounds
Welcomed him home
to settle the bravery
she could finally
forget the song of his footstepsShe is a wild animal
made to devour
oh dissolve within
within his tainted fears
beyond the limits imposed
they name no time for wasting
and that was clear
sweet and heavy with starsFaint release
Upon the fine mystery
