

Walk Through This World With Me

Don Rich

Walk through this world with me
Go where I go
Share all my dreams with me
I need you soIn life we search
And some of us find
I've looked for you
A long, long timeAnd now that I've found you
New horizons I see
Come take my hand and
Walk through this world with meWalk through this world with me
Go where I go
Share all my dreams with me
I've searched for you soAnd now that I've found you
New horizons I see
Come take my hand and
Walk through this world with meCome take my hand and
Walk through this world with me
