Something's Coming

Will Butler

Look out, look out, look out
Oh, if I had the time, well I would
Well I would tell you why
Look out, look out, look out
Oh, if I had the time, well I would
Sit you down and tell you why
As if, as if, I gotSomething's coming, oh, is it the end?
Something's coming, I dunno
But it sure's gonna be the beginning
Something's coming, oh, is it the end?
Something's coming, I dunno
But it sure's gonna be the beginning
Something's coming, oh, if it's not the end
Well, if it's not the end, but it probably is the
Something's coming, oh, is it the end?
Something's coming, I dunno
But I'm sure it'sThe Lord, the Lord is watching
With his feet up on the bed
The Lord, the Lord is watching
But he's not your friend
No he's, no he's not your friend noSomething's coming, oh, is it the end?
Something's coming, I dunno
But it sure's gonna be the beginning
Something's coming, oh, is it the end?
Something's coming, I dunno
But it sure's gonna be the beginning
Something's coming, if it's not the end
Well, if it's not the end, but it probably is the
Something's coming, oh, is it the end?
Something's coming, I dunno
But I'm sure it'sI came, I saw I conquered, and then I went to bed
I came, I saw I conquered, and I slept like the dead
When I woke up in the morning
With a hand still dripping blood
My friend's and me, she's really sickSomething's coming, oh, is it the end?
Something's coming, I dunno
But it sure's gonna be the beginning
Something's coming, oh, is it the end?
Something's coming, I dunno

But it sure's gonna be the beginning
Something's coming, if it's not the end
Well, if it's not the end, but it probably is the end
Something's coming, oh, is it the end?
Something's coming, I dunno
But I'm sure it's gonna be the beginning
