Lemme see you get that clockwork going  
Fiends copping by the clockwork flowing  
All day and all night

Or that clock, stop, going  
Tick, tock, tick, tock, ay  
Homie, get on the grind like clockwork  
Two for five or a dime, that's clockwork  
Shorty  
You ain't gettin' off the hook that easy  
Lemme see that clockwork  
She said look that's easy  
Move it around, and around, and around, and around like a clock chick  
To the sound, of the sound, of the sound of the clock's tick  
Tick, tock, tick, tock, ay  
Shorty, move that behind like clockwork  
And spin around to the sound of how the clock work [Chorus]  
You hear the sounds of the tick (tick)  
You hear the sounds of the tock (tock)  
You hear the sounds of the clock (tick)  
(And get it right) (tock)  
Move to the sound of the tick (tick)

Move to the sound of the tock (tock)  
Move to the sound of the clock (tick)  
(And get it right) (tock) yep yepGet on the grind like clockwork  
Move that behind like clockwork  
Keep it coming on time like clockwork  
Get that clockwork (homie) make that clockwork (shorty)The grind on paper chase  
The block on day to day  
Listen, I'm always ticking  
Like the clock on Flava Flav  
I could  
Give cock, and don't stop giving  
So can you  
Wink wop, and don't stop whipping  
And just  
Make that clockwork (tick), get that clockwork (tock)  
Shake that clockwork (tick), flip that clockwork (tock), shorty,  
Ay, do what you gotta do for that clockwork  
Nine to five, side moves for that clockwork  
If you a soldier, homie, get you a doja (?) homie  
Move the homie, tell him get that clockwork (homie)  
Ay, teach him how to mix that pot work  
Right to left, all day, he'll get that clockwork

That's what I call clockwork for ya  
Holla at me, I got work for ya  
AY[Chorus][Outro]

If you gettin' money
