

# Amazing

## One Eskimo

I feel sweet, do you feel sweet? It's amazing  
I have no skin and I feel everything, it's amazing  
I feel good when you feel good  
I knew I would and it's amazing I've wanted this for so long  
Now the deed has been done  
We shall rise with the sun  
And spend our time as one Now there is no sin in anything  
And it's amazing  
I love life, I hope you do too  
'Cause I love everything, it's all amazing I feel you, do you feel you?  
I understand when they say we're born again  
'Cause I feel born again  
I'm born again and it's amazing And it's the best thing, it's glorious  
It's life changing, this feeling is amazing  
It's the best thing, it's glorious  
It's life changing, this feeling This feeling, oh  
This feeling, it's amazing  
It's in the stars, in the sun  
It's everywhere, in everyone And it will be every day  
From now on, from now on  
We are one and it's amazing It's in the stars, in the sun  
It's everywhere, in everyone  
And it will be every day  
From now on, from now on  
We are one and it's amazing It's in the stars, in the sun  
It's everywhere, in everyone  
And it will be every day  
From now on, from now on  
We are one and it's amazing
